OFFICE OF THE PRESIDENT

Secretary to Government,

Sir,

Subject - Levy of tax on passengers who arrive in Mysore Railway Station from beyond 10 miles.

With reference to your letter No.L 13017/M1 204-48-2 dated 9-5-1949 communicating orders of Government that they are not in favour of the above proposal of the Council, I have the honour to state that the reasons for turning down the above proposal have not been mentioned in your letter. The Government have been observing from time to time that the finances of the Municipality are not in a satisfactory position and that measures should be taken for augmenting the resources of the municipality It was in pursuance of such observations made by Government that the Council after due examination of all aspects of the matter, recommended the above proposal which, in the present circumstances, might fetch a revenue of rupees one lakh to the Municipality. Mysore City attracts tourists practically all through the year and particularly on occasions like Dasara and other festivities The Municipality has to spend large sums of money on sanitation, maintenance of roads, water supply etc. It is not fair to expect the permanent residents of Mysore to pay for providing these facilities to the tourists. The Council desire to bring to the notice of the Government that passengers who come to Mysore use municipal facilities and it is reasonable to expect them to pay for these facilities

When your letter was placed before the Council at the Ordinary meeting held on 28-5-1949 and at the time of the

budget meeting held on 31-5-1949 the Council have resolved that Government be requested to reconsider their decision and permit the Municipality to levy this tax.

In enclosing copies of the two resolutions, I request that Government be moved to reconsider their decision and sanction the proposal of the Municipal Council.

Yours faithfully,

T Venkata Ramana
